

Dear Loyal National Event Fan,

Maple Grove Raceway would like to thank you for your continued support, especially given the difficulties surrounding the 2020 season. Please read carefully as changes have been made for the 2021 Renewal Period.

Due to COVID-19 guidelines in 2020 Maple Grove was forced to dramatically alter the seating chart from 2019. This means the 2020 seating chart was completely rearranged to allow at least six (6) feet of space between each fan. Because of this fact, Maple Grove is reverting back to the 2019 seating chart. Fans who purchased tickets and attended the 2019 NHRA National event have until January 29, 2021 to renew those tickets for the 2021 NHRA National event.

On February 1, 2021, Maple Grove will be opening the seating chart to the general public. When the tickets are available to the public, all seats that were not renewed by January 29, 2021 are on a first come, first serve basis. We apologize if this is an inconvenience to any fan but it was the best option with trying to get back to normal.

Please note that the period for 2020 event Ticket Holders to either request a refund or a credit for 2021 was NOT considered a renewal. That time frame was simply a chance for fans to make a decision regarding their money. Fans who did not reach out and let us know which option they wanted by September 11th, were automatically credited for 2021. Fans who did either call or email informing Maple Grove they wanted a refund or credit must still renew their seats. A credit meant that the money used to purchase seats for the 2020 event was moved to the fan's 2021 profile. Just the money was moved, the seats were NOT renewed.

Maple Grove Raceway is more than happy to answer any questions that may arise regarding these changes. Emailing is the best method at bwitmer@MapleGroveRaceway.com, or call our office at (610) 856-9200. Please be patient as the Maple Grove Staff is attempting to help each customer individually.

Regards,
Maple Grove Raceway
