NEW CHANGES FOR 2021

The (BIG) change for 2021 car show participants involves the elimination of individual classes. This year we are doing a Top 25 air cooled and Top 25 water cooled, along with a few special awards. The new changes allows for simplified parking, more efficient judging and a quicker award presentation. Other elements of the June Bug Classic including five race classes, kids coloring contest and a large flea market have not changed Even with the new changes we encourage you to come out on June 6th and enjoy the day. No better way to meet and see other VW enthusiasts!
